Anglepoise + Paul Smith Type 75 Desk Lamp Edition Four

The Anglepoise + Paul Smith Type 75 Desk Lamp Edition Four was a collaborative design effort by Sir Kenneth Grange and Paul Smith. This reinterpretation is a modern take on the classic **Type 75** design, with Paul Smith's signature use of vibrant colours and playful aesthetics incorporated into the iconic lamp. Each Paul Smith Edition of the Type 75 has a unique story told through its selected colour. Edition Four was inspired by Paul's collaboration with Land Rover. He combined the car's distinctive colours with the lamp's structure to create a fusion of two iconic British designs.

The Type 75 Desk Lamp boasts the innovative features that are expected of an Anglepoise lamp. The cast iron base and high-quality fittings allow for flowing movement and full adjustability. Display on a desk or beside a sofa for functional light that can be directed precisely where required. The Edition Four is also available as a **Mini Desk Lamp** and a **Floor Lamp**. Display individually or together for a luxurious addition to any interior that celebrates iconic British design.
