Anglepoise + Paul Smith Type 75 Floor Lamp Edition Six

The Anglepoise + Paul Smith Type 75 Floor Lamp Edition Six offers a fresh interpretation of the much-loved **Anglepoise Type 75 Lamp**. Reworked by celebrated British fashion designer Paul Smith, this edition brings a distinctive sense of character to the iconic silhouette with the addition of his signature Artist Stripe. Set against the lamp's soft milk-white finish, the colourful stripe introduces a bold yet refined accent, giving the design a playful energy while retaining its timeless appeal.

Staying true to Sir Kenneth Grange's original Type 75 design, the Anglepoise + Paul Smith Type 75 Floor Lamp Edition Six combines clean lines, a geometric shade and Anglepoise's renowned spring mechanism. This makes the lamp easy to position, allowing light to be directed exactly where it is needed. Ideal beside a sofa, next to a bed or in a reading corner, it delivers practical illumination with enduring style, celebrating both British engineering and Paul Smith's unmistakable creative flair.
