Anglepoise + Paul Smith Type 75 Mini Desk Lamp Edition One

The Anglepoise + Paul Smith Type 75 Mini Desk Lamp Edition One is the result of a collaboration between the renowned lighting brand and British fashion designer. Originally designed by Sir Kenneth Grange, the Type 75 Mini is a scaled-down version of the instantly recognisable **Type 75 Lamp**. This reimagined version features a bright and cheery colour palette, which is evocative of summer. Tones of pink, blue, yellow, brown, grey, and white breathe life and a vibrant personality into any interior.

The Type 75 Mini Desk Lamp Edition One is a multi-directional lamp that is great for focused task lighting in any office or workspace. The Mini Table Lamp is also available as a **Floor Lamp** and a **Table Lamp**. Display in residential or commercial spaces for functional lighting that blends the unmistakable form and function of an Anglepoise lamp with the quintessential style of Britain's iconic designer.
