PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange & Paul Smith

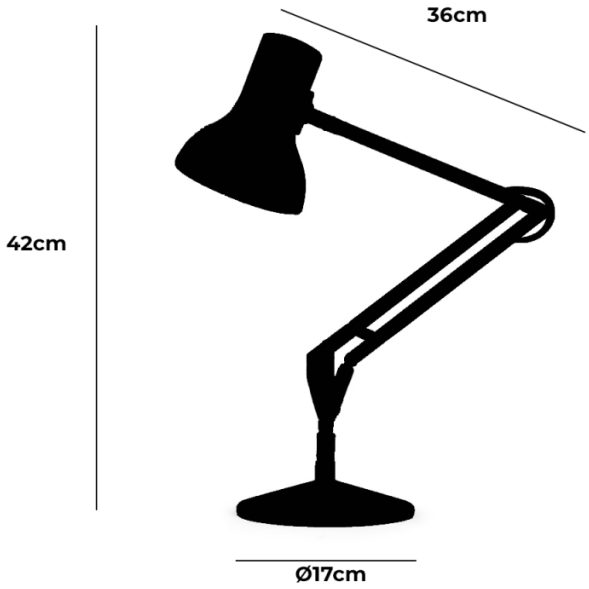

Anglepoise + Paul Smith Type 75 Mini Lamp Edition Three

The Anglepoise + Paul Smith Type 75 Mini Desk Lamp Edition Three is a compact, characterful interpretation of the iconic **Type 75** design, originally created for Anglepoise by renowned British designer Sir Kenneth Grange. Reimagined by Paul Smith, this edition combines the lamp's precise engineering and familiar adjustable form with Paul Smith's distinctive approach to colour, resulting in a piece that feels both classic and contemporary.

Inspired by the bold visual language of Mondrian's De Stijl movement, Edition Three introduces a striking palette of primary colours across the lamp's clean structure. Its smaller scale makes it especially well-suited to desks, bedside tables and compact workspaces, while the adjustable arm and directional shade provide practical light for reading, writing or focused tasks. The result is a playful yet refined design that celebrates Anglepoise functionality and Paul Smith's unmistakable creative flair.
