PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange & Paul Smith

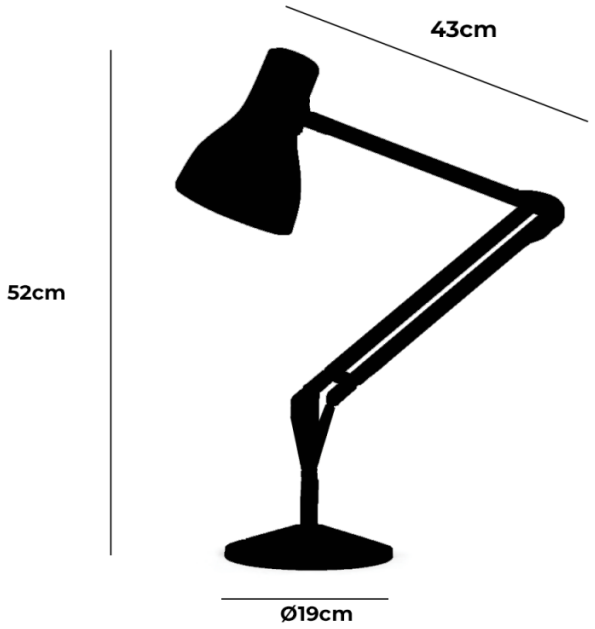

Anglepoise + Paul Smith Type 75 Desk Lamp Edition Five

The Anglepoise + Paul Smith Type 75 Desk Lamp Edition Five is the fifth collaboration between Anglepoise and fashion designer Paul Smith. Unlike previous Anglepoise and Paul Smith collaborations, which feature bold and bright colour palettes, the Edition Five offers a more subtle twist on the classic design. The lamp is drenched in black, from screws and fittings through to the signature springs, with the Paul Smith Artist Stripe running the length of the stem. This colour play brings focus to the **Type 75** design, while offering the recognisable flourish of a Paul Smith palette.

The Anglepoise + Paul Smith Type 75 Desk Lamp Edition Five is an ideal reading companion at a bedside or beside a sofa. Its bright, functional light is perfect for task lighting, while the adjustable frame allows the lamp to be effortlessly moved to direct light where required. Its elegant, enduring design, with a touch of eccentricity, suits contemporary office spaces as well as residential environments.
