PRODUCT DESCRIPTION

Designer: Yuchen Wu

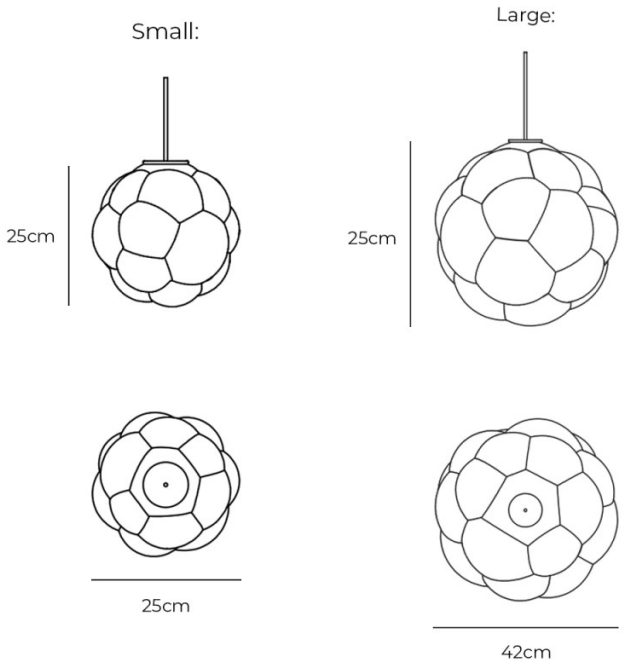

Normann Copenhagen Bubba Pendant

The Normann Copenhagen Bubba Pendant was designed by Yuchen Wu, and the inspiration behind it was drawn from the irregular, organic form of soap bubble clusters. Yuchen has created this delicate design with a unique sculptural statement. The Bubba Pendant is a beautiful bubble-like pendant made out of etched opal glass which emits a soft warm glow. The opal finish of the sheer glass spreads the light evenly. Each bubble on the shade is unique therefore making a design that appears different from every angle.

Available in two sizes the Bubba Pendant can be used independently, for example above bedside tables, or in multiples to create a cluster, perfect for above a dining table. When combined with the accompanying pendants, you can create a whole arrangement of drifting bubbles, tying your spaces together with a mesmerising playfulness. The Bubba Collection also includes a ceiling light or wall light that can be used along with this pendant for a lighting scheme that compliments itself.

PRODUCT SPECIFICATION

Light Source:	**Small**: 1 x Max 2W E14 LED (excluded) **Large**: 1 x Max 8W E27 LED (excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Small**: Ø25cm Height: 25cm **Large**: Ø42cm Height: 41cm Cable Length: 400cm
