**Ex-Display, boxed in non original packaging.  
In great condition with some signs of use.  
1 x Oak Available.**

Designed by the design team and the CEO of Le Klint, in 2020, the Cylinder 382 table lamp is made using the classic cross-pleat design used on the [Le Klint 375 table lamp](#) which is based on the [Le Klint 107 pendant](#), an original design that started off the Le Klint brand.

The Cylinder 382 table light uses both a design which completely captures the character of Le Klint and a contrasting light oak wood base to produce a table lamp that is both traditional and modern. The lovely lampshade diffuses the light nicely, emanating a soft glow that creates a warming atmosphere. Perfect for many uses throughout the home, the 382 table lamp comes in 2 sizes with the smaller size being particularly good for shelves and window sills. Buy both to pair together to create a nice light feature and match with other pendant lights from the [Le Klint Cylinder collection](#) for a lighting scheme inspired by the history of Le Klint.
