Muuto Outline Sofa

The Outline Sofa adds a modern perspective to the traditional Scandinavian sofa from the 1960s. The design takes its name from the strong outline of that sofa. The Muuto Outline is neat and elegant on the outside with a deep seat and soft cushioning inside. The Outline Sofa Family has an expression that is at once elegant and elevated by its lines referencing architectural forms alongside its curved armrests, giving the design a distinct impression.

The Muuto Outline is available in a wide range of colours and materials including leather options. Available in a two-seater and a three-seater, the configurable sofa is a modern and timeless seat which suits both residential and commercial settings.
