PRODUCT DESCRIPTION

Designer: Arturo Alvarez

a-emotional light Ura Floor Lamp

a-emotional light Ura Floor Lamp was inspired by nature and geometric shapes. The Cylinder-shaped shade is made from painted stainless steel mesh, which is hand-folded to create delicate folds down the length of the shade. The exposed top and bottom of the shade allow light to escape, projecting circles on the surrounding floor and ceiling.

The a-emotional light Ura LED Floor lamp stands 156cm tall with a choice of transparent or black cable. **The Ura Collection** offers three pendant lamps that can be combined, a table lamp and a floor lamp. The Ura Floor lamp can be displayed individually or with other pieces from the collection, and is perfect for creating ambient lighting in bedrooms or living spaces while creating a play of lights for a stunning visual effect.
