PRODUCT DESCRIPTION

Designer: Christian Troels

Le Klint Plivello Pendant

The Le Klint Plivello was designed by Christian Troels and is the perfect pendant for both classic and contemporary interiors. Troels was inspired by traditional multi-tiered chandeliers from previous centuries. As well as the elegant tiered shade, Plivello also boasts a detailed folded structure with an intricate interior; its silhouette invites you to further explore the lamp's internal constructions.

This pendant can adapt to many different rooms but excels in entrance halls with high ceilings, above your dining table or above larger coffee tables. Emitting an atmospheric illumination, Plivello is perfect for spaces that prioritise relaxation. The Le Klint Plivello is crafted from FSC-certified paper and aluminium. This pendant light is available in four sizes.

Please Note: The Le Klint Plivello Pendant can be manufactured with custom colour combinations. It can also be provided as an XL version. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source: 1 x Max 25W E27 (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:

Small:
Ø30cm
