PRODUCT DESCRIPTION

Designer: Pierre Charrié

Petite Friture Brush Pendant

The Petite Friture Brush Pendant was designed by Pierre Charrie and has a minimalistic structure with three powder-coated maximalist colours to choose from: Beetle, Grey and Green, all of which are finished with a lacquered gloss. The structure of the shade is obtained by a mechanical spinning process, which is performed twice to ensure the oblong form.

Brush produces an indirect soft illumination that is emitted downwards onto the area below, creating a perfect spotlight above a dining area or kitchen island thanks to its unique dome shape. Meanwhile, the inner light source is smoothly diffused, ensuring a glare-free and comfortable illumination. The Petite Friture Brush Pendant is available in two sizes, either small or large, and can all be suspended individually or in a cluster.
