PRODUCT DESCRIPTION

Designer: Sofie Refer

Nuura Blossi LED Chandelier

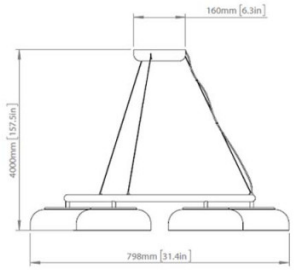

The Nuura Blossi LED Chandelier was designed by Sofie Refer and was inspired by the golden light reflecting off leaves in Autumn. Available in two sizes, the Blossi can offer you either 6 or 8 diffusers. The Blossi Chandelier utilises specially developed LED modules which are placed in a golden metal disc and shoots the light upwards in each of the 6 mouth-blown glass shades, mirroring the light in an indirect, ambient glow.

The circular structure, no matter which size you choose, offers an extravagant touch to your interior and an elegant lighting solution. Blossi is truly exceptional when displayed in your hallway, above your dining table or over a large kitchen island. This chandelier also creates captivating lighting for bedrooms and living areas.
