## PRODUCT DESCRIPTION

**Designer:** Charlotte Perriand

### Nemo Lighting Lampe De Bureau Table Lamp

Nemo Lighting Lampe De Bureau Table Lamp was created by Charlotte Perriand, a French architect and designer. The lamp was inspired by the need to illuminate faces reflected in the mirror on a piece of furniture. Lampe De Bureau Table Lamp has been revived from the classic model made in 1965. Inside the diffuser, the white preserves the natural glow from the lamp, whilst the outside displays a vibrant splash of colour. The moulded glass shade of the lamp is attached to a dark grey steel stem and square base.

The Lampe De Bureau Table Lamp is a great task light which can be used in either an office, workspace or just as a casual reading lamp at home. Thanks to the beautiful colours chosen for the shade, this lamp remains practical and now decorative in any home with its 6 delightful colours. The Lampe De Bureau is also available as a floor and wall light.
