Nemo Lighting Lampe De Bureau Wall Light

Nemo Lighting Lampe De Bureau Wall Light was created in 1965 by Charlotte Perriand. The classic wall lamp has been redesigned with a pop of colour on the outside whilst the inside remains white to enhance the light source. The shade is connected to a curved grey arm which is secured to the wall and has the on/off switch attached.

Lampe De Bureau Wall Light is available in six colours and one standard size. The contemporary colours and the classic structure together create stunning features above bedside tables or in a hallway above a sideboard.
