PRODUCT DESCRIPTION

Designer: Franco Albini

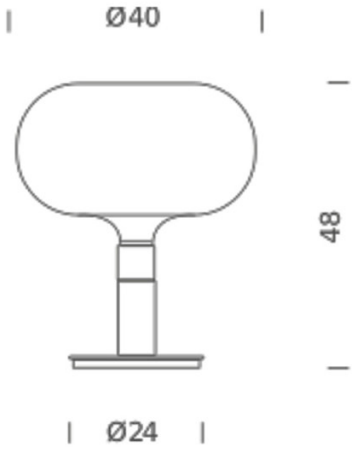

Nemo Lighting Albini AM1N Table Lamp

The Nemo Lighting Albini AM/AS AM1N Table Lamp symbolises the rational ideology of renowned Milanese architect Franco Albini. Originally designed in 1969, the design combines linear shapes with high-quality materials for a timeless aesthetic that continues to enhance interiors today. A hand-blown glass diffuser sits gracefully atop a steel base, contrasting the delicate appearance of glass against durable metal.

When switched on, the glass shade diffuses light into a soft, glare-free glow that fills the surrounding room with a warm and atmospheric light. This comfortable glow is well-suited to bedsides, studies, living areas, and reading nooks. Available in a chrome or black finish, the AM1N Table Lamp complements minimalist, modern interiors. Display with other pieces from the **Albini AM/AS Collection** for a balanced theme throughout the home.

PRODUCT SPECIFICATION

Light Source:	1x Max 150W E27 (Excluded)
IP Code:	20
Dimming:	In line dimmer switch on cable.
Dimensions:	Base: Ø24cm Height: 48cm Shade: Ø40cm Cable Length: 220cm
