PRODUCT DESCRIPTION

Designer: Franco Albini

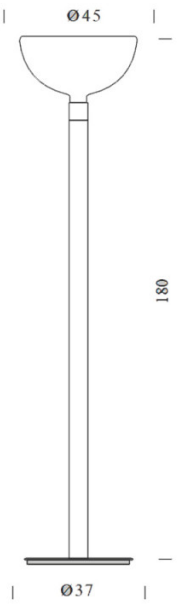

Nemo Lighting Albini AM2Z Floor lamp

The Nemo Lighting Albini AM2Z Floor Lamp brings architectural simplicity to the home, pairing a slender metal stem and circular base with a generous, bowl-shaped shade. Part of Franco Albini's **Albini AM/AS Collection**, designed in 1969, it features clean lines that reflect the designer's rationalist approach, balancing purposeful construction with elegant proportions. A polished chrome finish across the structure and shade highlights its sculptural silhouette, making it a distinctive addition to contemporary interiors.

Standing 180cm tall, the AM2Z directs light upwards to provide indirect illumination, making it an inviting choice for living areas, dining rooms, and reception spaces. A dimmer located on the cable allows users to adjust brightness, shifting the light from everyday ambient illumination to a softer evening setting.
