Muuto Cover Lounge Chair

The Muuto Cover Lounge Chair combines Scandinavian craftsmanship with contemporary design themes, resulting in a refined expression. Designed by Thomas Bentzen, the Cover Lounge Chair features a large angled seat, which is complemented by a curved back and wooden armrests - providing ample support and optimal comfort. Despite the generous seat size, the Muuto Cover Lounge Chair has a minimal frame, appearing to take up little room. Making it an ideal seating choice for small and larger areas alike, especially in living spaces, dining areas, lobbies and areas of relaxation.

The seat is upholstered in a choice of high-quality Kvadrat fabrics or supple Refine leather, adding an extra level of comfort to this versatile lounge seat. Similarly, it can be provided with no upholstery at all and the wooden structure is available in three different wooden finishes; oak, stained dark brown or black. The Cover Chair Series without upholstery is EU Ecolabel Certified. By carrying the EU Ecolabel Certification, the product is guaranteed to have a reduced environmental impact throughout the total lifecycle of the product from raw material to disposal.

Please Note: The Muuto Cover Lounge Chair in our showroom is crafted from Oak Wood with a Cognac Refine Leather upholstered seat.
