## PRODUCT DESCRIPTION

**Designer:** Anne Dorthe Vester & Maria Bruun

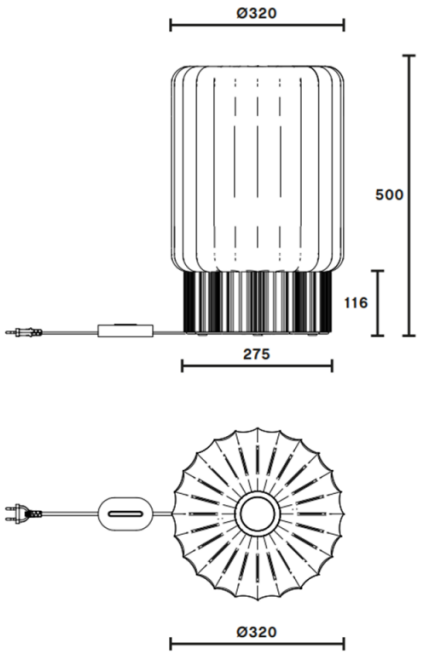

### Pholc Half Meter Table Lamp

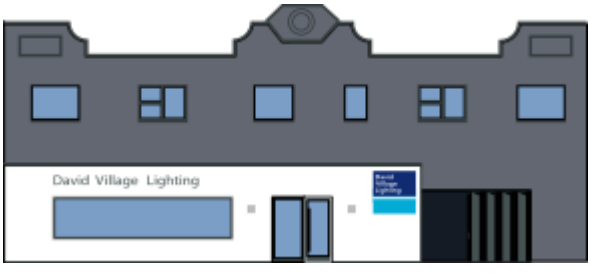

Pholc Half Meter Table Lamp was created by Danish design pair, Maria Bruun and Anne Dorthe Vester. The Half Meter Table Lamp is inviting and velvety but with a powerful presence. The difference between the natural aluminium frame and the soft cocoon material creates a distinguishable tension. The Half Meter Table Lamp is a design that radiates minimalism and boldness in one.

The Half Meter Table Lamp column-shaped structure is made up of wire which is wrapped by hand in cocoon material whilst the base of the lamp is constructed from unpainted aluminium. The light source is built into the base creating an upward light into the shade. This table lamp can also be doubled as a small floor lamp. The Half Meter Table Lamp is also available as a floor lamp: **One Meter**.

## PRODUCT SPECIFICATION

| | |
|---|---|
| **Light Source:** | 1x Max 15W, E27 (Excluded) |
| **IP Code:** | 20 |
| **Dimming:** | Integrated dimmer on the cable |
| **Dimensions:** | Base diameter: Ø 27.5cm<br>Shade diameter: Ø 32cm<br>Height total: 50cm<br>Base height: 11.6cm<br>Cable: 250cm |
