Lyfa Divan 2 Table Lamp

LYFA Divan 2 Table Lamp is designed by Simon P. Henningsen. Divan 2 is a masterwork of colourful designs that's a pleasure to gaze upon even when switched off. The manufacturing of each shade includes a thorough multi-step process in which each trapezoid shard is polished by hand. The shade is based on the pendant that Henningsen designed with his father for Tivoli's famous restaurant.

The Divan 2 Table Lamp includes shards with kaleidoscopic colours which include red, blue, purple, beige, and teal with a mirrored exterior. The **Divan 2 family** includes a table lamp and five different-sized pendants.
