Kartell Masters Chair

EX-DISPLAY BOXED IN NON-ORIGINAL PACKAGING. SIGNS OF WEAR AND TEAR. SEE IMAGES FOR EXACT CONDITION.

1 x Black available.

The Master's Chair by Philippe Starck for Kartell is a powerful tribute to three unmistakable symbolic chairs - "Series 7" by Arne Jacobsen, the "Tulip Armchair" by Eero Saarinen and the "Eiffel Chair" by Charles Eames. Starck blends these ideas to create a hybrid and birthing a fusion of original and engaging styles.

The Kartell Masters Chair has practicality at its heart – it is light, stackable and can even be used outdoors. Standing on four slim legs, the Masters Chair is roomy and comfortable; an ideal dining chair. The back of the chair is its most fascinating feature characterised by the fullness and empty spaces created by the curvaceous criss-crossing lines of three different backs which descend to merge into the edge of the seat.
