Flos Ceramique Table Lamp

Flos Ceramique Table Lamp was designed by Ronan Bouroullec. Each body created of this lamp is handmade by the experts at Flos. The structure of the Ceramique table lamp is formed from a lead-free lacquered crystalline finish to complete the handcrafted surface. Each lamp has a white diffuser made of polycarbonate. This lamp is the undiluted expression of a union between creator and material which creates visual poetry. Céramique blends craftsmanship and elegance with adaptable lighting. With a stable design and attention to detail, this collection enriches the beauty of ceramics and promotes energy efficiency.

Flos Ceramique Table Lamp is available with three different head angles and three colours: Moss Green, Navy Blue and Rust Red. These charismatic lamps work great in offices, hallways, living areas and bedrooms. **Please note the lamp head is not adjustable.**
