Pablo Luci LED Portable Table Lamp

The Pablo Luci LED Portable Table Lamp is an elegantand minimalistic design by Pablo Pardo. Due to the lack of wires, the Luci LED Table Lamp can be manoeuvered from room to room as you desire, it also has an IP54 rating which means it can even be used outdoors. The LED light source is located in the head of the lamp and projects an ambient illumination downwards and creates a glare-free glow on the table below. Luci is fitted with an integrated 3-step dimmer which controls the brightness and the colour temperature, including dim-to-warm technology.

Pablo Luci Portable Table Lamp is available in four finishes, allowing it to easily adapt to a range of interiors, it makes a perfect dining lamp as well as being able to be used in a reading nook, on a side table in a living room or even in a bedroom. Luci also boasts a best-in-class battery life, providing 18-180 hours of battery life and has a charge time of 6 hours.
