Axolight Paralela LED Floor Lamp

The inspiration for the Paralela Floor Lamp stemmed from contemplating the immateriality of light. Daniel Vila and Ester Pujol, founders of Nahtrang Studio, liked the idea of an illuminated ladder of parallel lines, connected in a way that created a sense of weightlessness. The resulting table lamp conveys a minimalistic aesthetic with a deceptively simplistic-looking design. A glass tube is connected to a sleek metal frame, available in five finishes: Black, White, Greige, Earth Red, and Pine Green.

When illuminated, the borosilicate glass cylinder diffuses light into a warm, comfortable glow that surrounds the lamp. This cosy lighting is perfect for creating a cosy ambience in a bedroom, dining room, or lounge area. In commercial spaces, the Paralela Floor Lamp blends seamlessly into contemporary hospitality settings such as hotel lobbies. Create a grand, cohesive display by installing next to other pieces from the **Paralela Collection.**

The Paralela Floor Lamp is available in five finishes: White, Greige, Earth Red, Pine Green, and Black. Contact us for more information and pricing.
