PRODUCT DESCRIPTION

Designer: Pablo Pardo

Pablo Nivel LED Pendant

The Pablo Designs Nivel LED Pendant boasts a pure and elegant silhouette, available in a range of colours. The circular pendant shade features an LED panel and can be easily pivoted around the axis to direct the light in whichever direction you require. Nivel produces a functional but glare-free illumination, making it perfect for dining rooms, offices, above kitchen islands or even in staircases.

This LED pendant can be displayed individually or in larger groups to create a dramatic cluster, stick to one colour or combine various finishes for a more colourful and playful installation. The Nivel Pendant is available in 6 powder-coated finishes; Matte White, Terracotta, Forest Green, Slate Blue, Espresso and Textured Black. You are also able to choose between a graphite or white fabric cable and a matching ceiling canopy. The Pablo Nivel LED Pendant is also available in two sizes; small or large.
