PRODUCT DESCRIPTION

Designer: Nahtrang Studio

Axolight Paralela LED Table Lamp

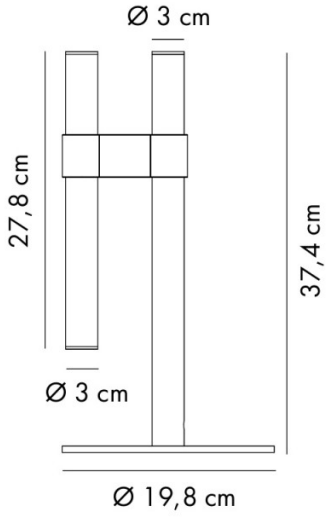

The Paralela Table Lamp was created by the Spanish Nahtrang Studio, who drew “inspiration from the memory of the light reflections of an architectural element of our origins”. By thinking of the immaterial nature of light, the designers were inspired to create a ladder of illuminated parallel lines. The Paralela Table Lamp beautifully captures this vision. The borosilicate glass cylinder is connected to the metal frame, creating a dynamic interplay of light and form.

The straight lines of the Paralela Table Lamp add an uncluttered, minimalistic element to any space. When switched on, light from the integrated LED is diffused by the surrounding cylinder, transforming into a tangible decorative element. This warm glow creates an ambient lighting that is perfect for bedside tables, an office desk, or on shelves throughout the home. In commercial spaces, the Paralela Table Lamp is well-suited for hotel rooms, for functional lighting that adds a comfortable ambience in the room.

The Paralela Table Lamp is available in five finishes: White, Greige, Earth Red, Pine Green, and Black. Contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	4W, 3000K, 315 Lumens
IP Code:	20
Dimming:	In-line dimmer included on cable.
Dimensions:	LED Tube: Ø3cm Height: 37.4cm Base: Ø19.8cm LED Tube height: 27.8cm
