Pablo Designs T.O LED Floor Lamp

Pablo Designs T.O LED Floor Lamp was designed by Pablo Studio in 2021. The LED light source can be turned 360° making this light versatile for direct and indirect lighting. The light source is connected to a marble pillar by a discreet magnet. The T.O floor lamp also features an adaptive light control with a 2-stage switch to provide best-in-class light dispersion at the end of your fingertips. The fully dimmable lamp has a push switch appropriately positioned at the end of the light source.

T.O LED Floor Lamp is available with either white Carrara marble with a chrome light source or black Marquina marble with a brass light source which can be used in residential and workplace situations. The floor lamp can also be paired with the **T.O table lamp** version.
