PRODUCT DESCRIPTION

Designer: Nahtrang Studio

Axolight Paralela LED Linear Suspension

Axolight Paralela LED Linear Suspension was created by Spanish designers, Daniel Vila and Ester Pujol, who founded Nahtrang Studio in Barcelona. The inspiration came from a search to lend shape to light so that the light itself becomes a tangible, decorative luminous element. The suspension is made from light-filled borosilicate glass cylinders, which are then joined together by Nylon PA12 connectors.

When illuminated, the glass cylinder diffuses light into a soft glow that surrounds the lamp. Install above a kitchen island or dining table for functional lighting that adds a pleasant ambience to the space. Add a touch of minimal elegance by hanging a singular cylinder or, to fill large areas or run the length of a long table, connect multiple cylinders for a grand display. The Paralela Linear Suspension is a sleek, uncluttered luminaire, perfect for contemporary spaces in both domestic and commercial environments.

The Nylon connecting joints are available in five finishes: White, Greige, Earth Red, Pine Green, and Black. Contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source: **SPPARA01LA:** 15W, 3000K, 1103 Lumens
SPPARA01BI: 19W, 3000K, 1418 Lumens
SPPARA02BI: 2 X 19W, 3000K, 1418 Lumens
SPPARA03XX: 3 X 19W, 3000K, 1418 Lumens

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions: **SPPARA01LA:**
Length: 93.6cm
Height: 23.1cm

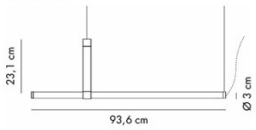

SPPARA01BI:
Length: 118.6cm
Height: 23.1cm

SPPARA02BI:
Length: 183.8cm
Height: 18.7cm

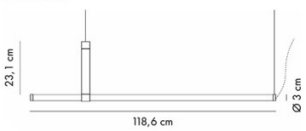

SPPARA03XX:
Length: 199cm
Height: 26.5cm

Tube diameter: Ø3cm
Suspending cable: 300cm
