Louis Poulsen PH 2/1 LED Portable Lamp

Louis Poulsen PH 2/1 LED Portable Lamp was designed by Poul Henningsen. This iconic design has now been made portable for indoor and outdoor use with an IP rating of 44. This traditional lamp is perfect as a centrepiece for a long dinner table at parties or everyday use around the home. The classic shade is made up of a three-tier mouth-blown glass structure which sits perfectly on top of a metallic stem. Provided is an extra diffuser around the LED for a non-glare lighting experience.

PH 2/1 LED Portable Lamp has four dimmable settings, which allow you to create the perfect atmosphere. At 100% brightness, the lamp allows approximately 5.5 hours of battery life, 13 hours at 45%, 45 hours at 20% and 120 hours at 5%. The PH 2/1 Portable is available in one standard size and two colourways: brass and chrome. Both colours come with a white plastic USB cable with a length of 1.5 meters, excluding the adapter. The classic lamp is also available in a non-portable version: **Louis Poulsen PH 2/1 Table Lamp**.
