Nuura Petalii 1 Small Pendant

Nuura Petalii 1 Small Pendant was designed by Nika Zupanc. The Slovenian industrial designer created the pendant with a poetic and peaceful expression. Zupanc designed the lampshade to resemble a delicate white blooming flower which is also represented in this narrative. The light source is based at the heart of the flower with a soft, diffusing light within the shade. Petalii 1 Small is ideal as a single pendant above a round table or installed in multiple pendants to create a cluster effect above a long dining room table.

Nuura Petalii pendant has been made with a painted white metal shade and features polished brass metal detailing, creating a sophisticated and elegant pendant. This classic pendant can be used in both commercial and residential settings to add a touch of romanticism to any decor. Petalii Pendant is also available as a **Petalii Floor Lamp** and a **Petalii Suspension**.

A white ceiling canopy is included. A satin black or satin brass ceiling canopy is also available. Please **contact us** for more information.
