Nuura Petalii 10 Suspension

Nuura Petalii 10 Suspension was designed and created by Nika Zupanc. This suspension of lights is made up of 10 blooming white flower shades, which sit perfectly on a polished brass metal ring creating a romantic expression. Each flower shade is made from powder-coated metal for a matte finish which directs light outward and downward for an even dispersion of light. This stunning suspension is an opulent centrepiece which evokes conversation and stories within its décor. Petalii 10 Suspension is ideal for any living room or dining room space to add a touch of romanticism.

Nuura Petalii collection also includes **Petalii 1 Small Pendant** and **Petalii Floor Lamp**, which paired together creates a truly sophisticated display of lights for any household or commercial setting.
