Bert Frank Beran Wall Light

The Bert Frank Beran LED Wall Light is an elegant and timeless lamp, crafted from high-quality alabaster that is quarried in the Aragon region of Spain. Alabaster is known for its use in palaces in the area and is renowned for its unique patterns and its softness. The 'oyster-style' diffuser encapsulates the LED source and presents a warm and ambient glow, providing inviting illumination and creating an atmosphere that promotes relaxation. The contrast of the raw materials against the modern technology of an LED light source ensures a remarkable design that embodies functionality.

The Bert Frank Beran Wall Light is a beautiful addition to almost any room and contemporary interior, but thanks to its 165 rating, it makes an exceptional bathroom light. The circular diffuser is available in two sizes, with elegant brass detailing, and can be easily dimmed to further personalise the atmosphere of your room.

Please Note: This wall light is hand-made and bespoke, meaning each creation is completely unique and the alabaster patterns will differ.

PRODUCT SPECIFICATION

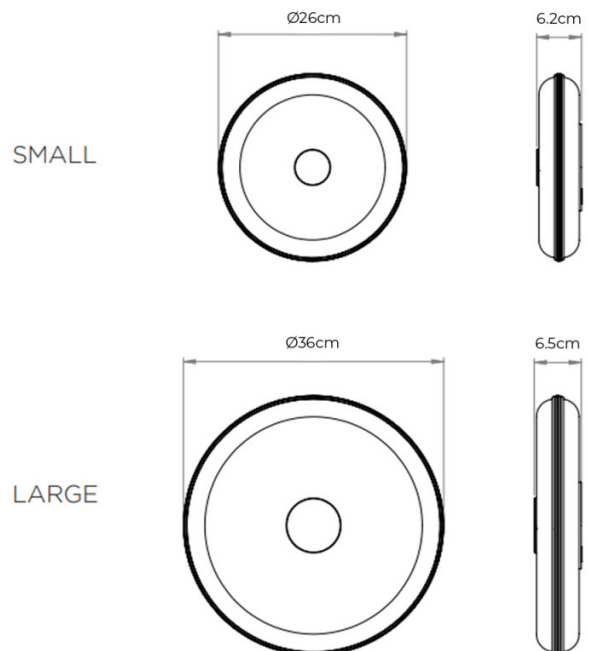

Light Source: 6W, 2700K, 700 Lumens

IP Code: 65

Dimming: Dimmable via mains phase dimming.

Dimensions: Small:
Ø26cm
Depth: 6.2cm

Large:
