Muuto Dedicate S2 LED Table Lamp

Muuto Dedicate S2 LED Table Lamp was designed by Thomas Bentzen as a contemporary and minimalistic take on a traditional desk lamp. This classical-styled lamp was inspired by a design that seamlessly meets functionality. Dedicate S2 was carefully engineered to offer quality lighting, dimming settings and an auto-turn-off feature whilst also guaranteeing stability through its modifiable arm. The shade and joints of this lamp are made of die-cast aluminium and the body is in extruded aluminium. Dedicate Table Lamp provides diverse lighting and design preferences.

Muuto Dedicate S2 Table Lamp is available in two colourways: brown/green and black. Each lamp structure has been powder-coated for a matte finish whilst the diffuser is injection moulded plastic. Dedicate S2 Table Lamp is also available in a smaller version: **Muuto Dedicate S1 Table Lamp**.
