PRODUCT DESCRIPTION

Designer: Thomas Bentzen

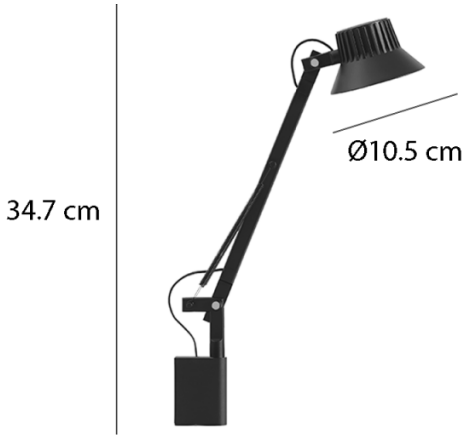

Muuto Dedicate S1 LED Wall Lamp

Muuto Dedicate S1 LED Wall Lamp is a contemporary take on the classic lamp which Thomas Bentzen created so that design meets functionality seamlessly. Thoughtfully engineered, the lamp offers integrated cooling ribs, quality lighting, dimming, and an auto-turn-off feature. The diameter of the base guarantees stability whilst moving the lamp arm. This petite wall lamp can save valuable floor and table space and still be functional and decorative. S1 Wall Lamp is a space-saver which is particularly helpful in smaller rooms or areas with limited space for floor or table lamps.

Muuto Dedicate S1 LED Wall Lamp is available in two colourways: brown/green and black. Each lamp structure has been powder-coated for a matte finish whilst the diffuser is injection moulded plastic. Muuto Dedicate S1 LED Wall Lamp is also available as a **Muuto Dedicate S1 Table Lamp**.
