PRODUCT DESCRIPTION

Designer: George Nelson

HAY Nelson Ball Bubble Wall Light

The HAY Nelson Ball Bubble Wall Light brings George Nelson's iconic Bubble design to a practical wall-mounted format. Its spherical polymer shade is supported by an internal steel-wire frame, creating a lightweight yet sculptural form that diffuses light beautifully. Suspended from a walnut wall mount with a slim steel arm, the lamp produces a warm, soft glow that adds atmosphere without feeling harsh.

Ideal for bedside use, reading corners, hallways or relaxed living spaces, the Nelson Ball Bubble Wall Light offers both decorative impact and functional ambient light. The adjustable arm can be moved from side to side and angled up or down, allowing the shade to be positioned without moving the wall mount. A pull chain with a walnut bead sits neatly beneath the shade for easy operation, while the matching **Nelson Ball Bubble Pendant** is also available for a coordinated lighting scheme.

PRODUCT SPECIFICATION

Light Source:	1 x Max 8W E27 LED (Excluded)
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	Shade: Ø32.5cm Shade Height: 30.5cm Depth: 53.5cm Cable Length: 366cm
