PRODUCT DESCRIPTION

Designer: Rainer Mutsch

Axolight Orchid LED Table Lamp

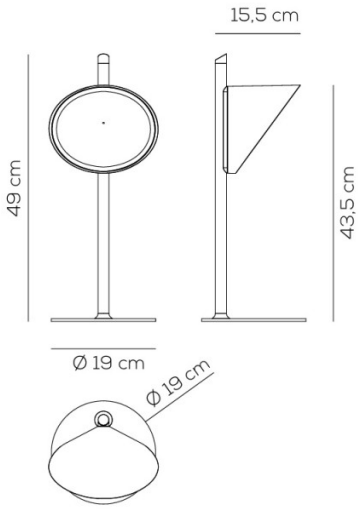

Axolight Orchid LED Table Lamp was created by Danish designer Rainer Mutsch. The design expresses the enchantment of nature, mirroring an Orchid's delicate stems and buds. The Orchid LED Table Lamp creates direct light with an intense diffused glow, adding functional task lighting in any space. The table lamp is formed from a die-cast aluminium body with an opalescent diffuser. The conical diffuser reduces overheating, expanding the lifespan of the light source.

The Orchid LED Table Lamp is a striking visual feature that adds a sculptural presence to the room, even when not in use. It is available in a wide range of finishes to suit any environment. The **Orchid Collection** was the first series Mutsch created for Axolight. Becoming one of the most popular lamps in the contemporary scene, the collection won the Good Design Award in 2017. Display on an office desk or at a bedside for a contemporary addition to any room with a bold personality.

The Axolight Orchid Table Lamp is available in 15 bold finishes, including yellow, red, green, brown, and grey. Contact us for more information.

PRODUCT SPECIFICATION

Light Source:	6.5W, 3000K, 671 Lumens
IP Code:	20
Dimming:	In-line on/off switch on cable.
Dimensions:	Height: 49cm Shade: Ø19cm Base: Ø19cm Shade Depth: 15.5cm
