PRODUCT DESCRIPTION

Designer: Stefano Casciani

Oluce Lu-Lu Table Lamp

Oluce Lu-Lu Table Lamp was created by Stefano Casciani, an award-winning Italian designer. Lu-Lu Table Lamp is an excellent proportion of geometric abstraction which is demanded by the structure to maintain its courtliness. Casciani chose primitive shapes for the body of the structure which is attached to a chromium-plated metal stem and a circular base. A frosted glass shade allows a soft dispersal of light around the body of the structure whilst also creating an upward and downward light from the top and bottom. Manufactured from a double-shaded mould, the glass has been hand-blown to create its unique shape.

The Lu-Lu collection also consists of an [Oluce Lu-Lu Floor Lamp](#), which when put together creates a beautiful visual feature that can be displayed in both a residential and commercial setting.

PRODUCT SPECIFICATION

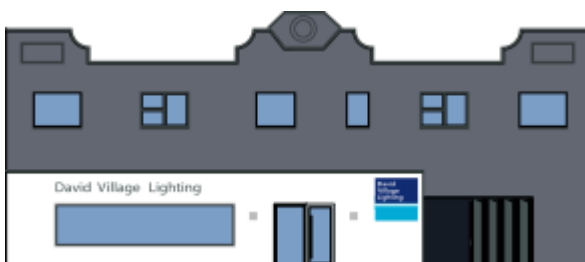

Light Source: 2x Max 60W, E27 (excluded)

IP Code: 20

Dimming: In line on/off switch on the cable

Dimensions: Base diameter: Ø 14cm
Height: 60cm

211
