PRODUCT DESCRIPTION

Bover Plafonet 60 Ceiling Light

Bover Plafonet 60 Ceiling Light is a design that is inspired by simplicity and quality. This ceiling light was designed by Lluis Porqueras, Joana Bover and Carles Riart in 2005, and was born right inside the Bover offices. The elegant shape and minimalistic body ensure that the Plafonet can easily blend into various interiors. Available in three fabric options, white ribbon, cream ribbon and white cotton - with small chrome detailing, adding to its sophisticated and elegant design.

The two light sources are diffused through a plate of opal glass that sits at the bottom of the shade, it provides general lighting that is ambient and inviting. The Bover Plafonet Ceiling Light makes a beautiful addition to your hallway, living area or bedroom.
