PRODUCT DESCRIPTION

Designer: George Nelson

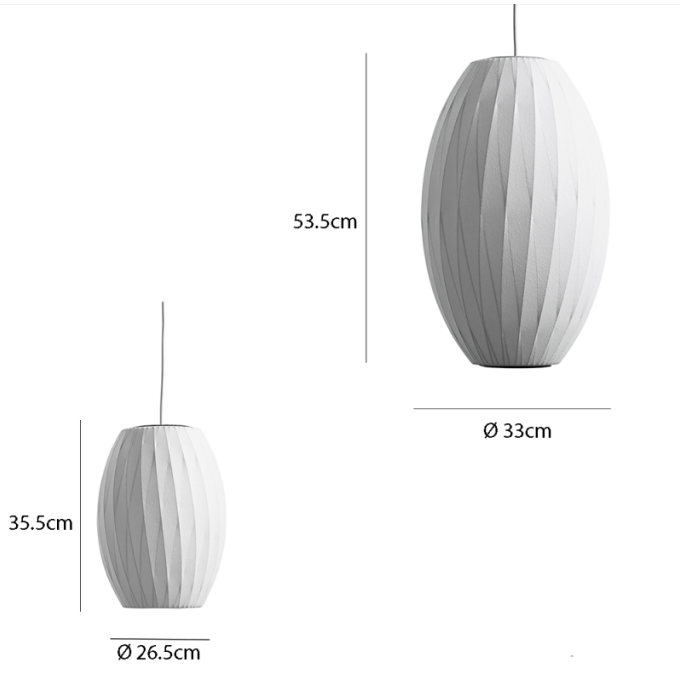

HAY Nelson Cigar Crisscross Bubble Pendant

Designed by George Nelson, the HAY Nelson Cigar Crisscross Bubble Pendant offers a refined take on the iconic **Nelson Bubble Collection** . Its elongated shade features a distinctive crisscross pattern across the steel-wire frame, giving the pendant added depth and texture while retaining the soft, floating quality of the original design. The shade is formed from Nelson's signature webbed polymer, creating a lightweight sculptural form that looks striking whether illuminated or switched off.

Available in small and medium sizes, the pendant provides a warm, glare-free glow that diffuses beautifully through the polymer shade while also casting gentle downward light from its opening. Suspended from a white cable, it works well above dining tables, kitchen islands and bedside areas, or displayed in rows and clusters through hallways, stairwells, lounges and commercial interiors. The HAY Nelson Bubble Collection also includes a variety of pendants and a coordinating wall light for a cohesive lighting scheme.
