PRODUCT DESCRIPTION

Designer: Miguel Milá

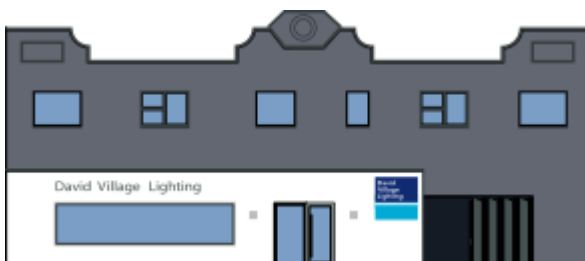

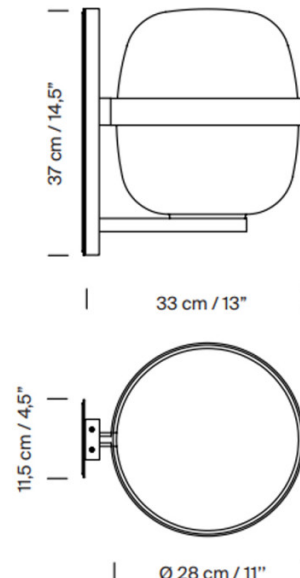

Santa & Cole Wally Cesta Wall Light

A classic design by Miguel Mila, and a recent addition to the [Cesta collection](#), the Santa & Cole Wally Cesta Wall Light is a larger version of its counterpart [Wally Cestita](#) - and was created to adapt larger spaces. This wall light is characterised by its classic globe shade that works as a diffuser and casts a subtle ambient glow. Thanks to the IP65 rating, the Wally Cesta can be utilised in outdoor settings as well as indoors, offering more protection than the smaller version.

The Santa & Cole Wally Cesta Wall Light is a beautiful addition to hallways, kitchens, dining rooms, and gardens, or as a way to illuminate your front door and entryway. The metal structure is available in either a black or white finish, allowing it to easily adapt to various environments.
