### Tom Dixon Melt LED Surface Light

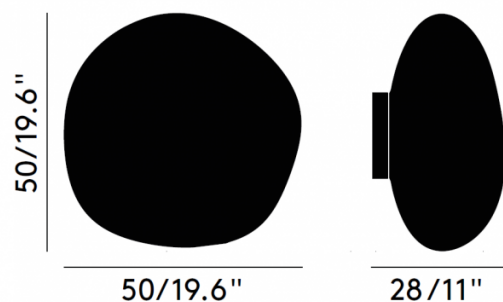

**Brand New, boxed in original packaging.  
2 x Gold Available.**

This version of the Tom Dixon Melt Surface light comes with an integrated LED light source. The Melt Surface light can be installed on your wall or ceiling, depending on your preference. The Melt's spherical shape has been compressed yet the Melt is still completely recognisable as a Tom Dixon classic design. The perfect imperfection of the blown moulded diffuser, with a mesmerising effect, changes when the light is switched on and off.

**The integrated LED light engine is replaceable. This can only be sourced via Tom Dixon. Please contact us for details**
