Normann Copenhagen Illu LED Mirror

Normann Copenhagen Illu LED Mirror was created by Danish designer Simon Legald in 2023. Illu is a stylish and modern mirror that is sure to catch your eye. It features a unique and distinctive wavy frame that adds a touch of minimalism and sophistication to any decor. The built-in LED lights are dimmable, allowing you to customise the lighting and create the perfect ambience. Its playful and curvy frame, combined with integrated lighting, brings a touch of elegance and charm to any room.

Illu LED Mirror is available in two shapes: square and rectangular. Made to be versatile and stylish, Illu can be displayed in both residential and commercial settings such as in the hallway, bedroom, or living room. It is cleverly designed to add a touch of sophistication and luxury to any space, be it a home or a commercial establishment.

Please Note: The Normann Copenhagen Illu LED Mirror needs to be hardwired.
