PRODUCT DESCRIPTION

Designer: Astro Design Team

Astro Minima Slimline Fire Rated IP65 Recessed Light

Astro Minima Slimline Fire Rated IP65 Recessed Light is a fixed recessed downlight for bathroom and interior ceilings. The slimline round form sits neatly in the ceiling, giving a simple finish in Matt White or Matt Black.

Minima Slimline is made from mild steel with a clear glass diffuser. Rated IP65, it can be used in bathroom zones 1, 2, and 3, making it suitable for shower rooms, en-suites, bathrooms, and other areas where a more protected downlight is needed.

Minima Slimline uses one LED GU10 lamp, sold separately, and can be dimmed when used with a compatible dimmable bulb. It is wired in, Class II double insulated, fire rated, and does not require a driver. This fitting is not suitable for covering with thermal insulation.

Best suited to bathrooms, shower rooms, en-suites, cloakrooms, kitchens, hallways, and simple recessed ceiling lighting.
