PRODUCT DESCRIPTION

Astro Minima Slimline Fire Rated IP65 Recessed Light

The Astro Minima Slimline Recessed Light is a subtle and unobtrusive lighting solution available in two monochrome finishes, crafted from mild steel with a glass diffuser. The Minima design continues to be one of the most popular downlights within the Astro offering, as it can be easily retrofitted into existing ceiling structures. The minimal trim of the Astro Minima Slimline Recessed Light ensures the fitting aesthetic is clean and simple when installed.

Producing a functional downlight, the Minima Slimline is a great lighting solution for hallways, kitchens and bathrooms. Thanks to the sleek matt white or matt black finishes, this recessed lamp can adapt to a wide variety of environments and suit almost any style. This discreet spotlight can also be easily dimmed, allowing you to personalise the atmosphere in your interior.
