PRODUCT DESCRIPTION

Designer: Filippo Protasoni

Fabbian Akoya LED Pendant

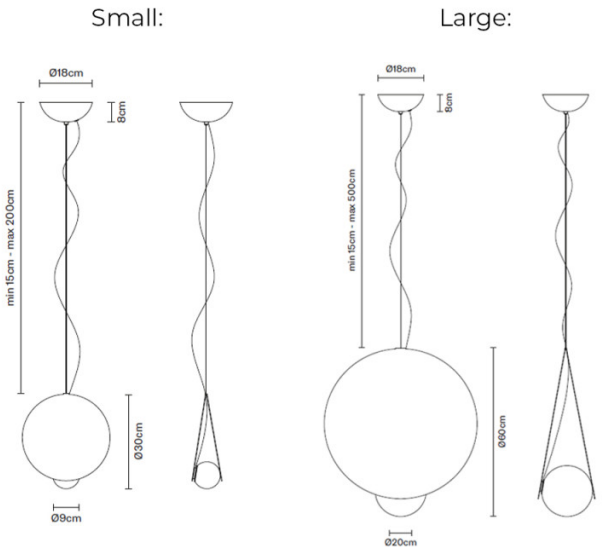

The Fabbian Akoya Pendant was designed by Filippo Protasoni, who was inspired by the geometric evolution of a circumference. The circumference first became a two-dimensional surface – the circle – and then a three-dimensional volume – the sphere. This inspiration has led to a lighting solution that resembles a shell housing a precious pearl, the Fabbian Akoya is a symbol of perfection that emulates a natural simplicity.

This LED pendant light is available in two sizes and offers four sleek finishes to choose from that can accommodate a range of contemporary interiors. The illumination casts a diffused downlight that is a beautiful addition above kitchen counters, dining tables, stairwells, and above counters or reception desks in commercial spaces. The Akoya Pendant can be displayed individually or in clusters of varying sizes for a more dramatic installation.

The Fabbian Akoya Pendant is also available with a colour temperature of 3000K or 4000K upon request. Dali dimming is also available. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	**Small**: 7W, 2700K, 622 Lumens **Large**: 20W, 2700K, 1200 Lumens
IP Code:	20
Dimming:	Dimmable via 1-10V dimming systems. Please consult your electrician, additional wiring may be required on site.
Dimensions:	**Small**: Diffuser: Ø9cm Shade: Ø30cm Minimum Drop Height: 15cm Maximum Drop Height: 200cm **Large**: Diffuser: Ø20cm Shade: Ø60cm Minimum Drop Height: 15cm Maximum Drop Height: 500cm Ceiling Canopy: Ø18cm
