Zero Sprinkle Pendant

The Zero Sprinkle Pendant Light is small in size but bold in presence. Designed by Note Design Studio, its layered slatted metal shade creates a soft, glare-free illumination while allowing a playful transparency that adds texture and rhythm to the light. Inspired by the colourful decorations atop cakes, the pendant is available in a selection of standout finishes.

Suspended by a colour-matched textile cable, the Sprinkle Pendant brings a distinctive edge to any space. Use it solo above a bedside or in multiples across a hallway, kitchen island or restaurant bar. Its light-hearted design and compact form make it well-suited to both residential and commercial interiors.
