PRODUCT DESCRIPTION

Designer: Note Design Studio

Zero Sprinkle Linear LED Suspension Light

Expanding the Sprinkle series with a broader architectural gesture, the Zero Sprinkle Linear Suspension Light carries the same distinctive slatted design across a longer horizontal form. Designed by Note Design Studio, it's ideal for workspaces, countertops, and commercial environments where both presence and functionality are key.

Its metal shade softens the integrated LED light, producing an even, ambient glow. Available in bold colour options including blue, red, brown, black, and oyster white, the Sprinkle Linear suits a range of interiors, from vibrant to refined. The design is suspended with discrete twin wires and finished with a matching textile cable, adding subtle detail to this otherwise minimal form.

Please Note: The Zero Sprinkle Linear Suspension is available with Dali dimming upon request. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

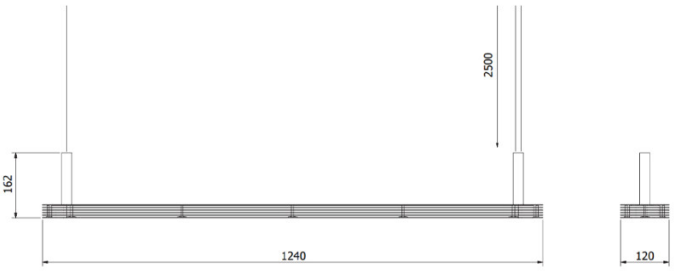

Light Source: 21W, 3000K, 2350 Lumens

IP Code: 20

Dimming: Non-Dimmable.

Dimensions: Length: 124cm
