PRODUCT DESCRIPTION

Designer: Lambert & Fils

Lambert & Fils Silo LED Wall Light

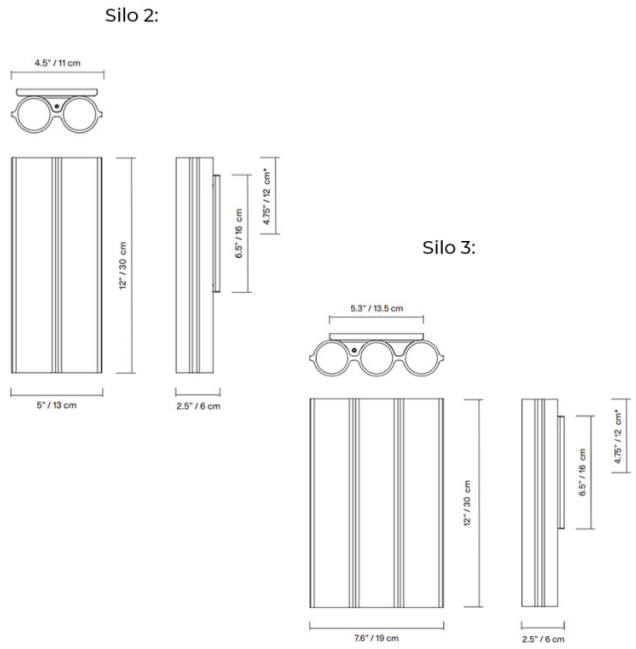

The Silo Wall Light by Lambert & Fils features an aluminium body Silo boasts a curved form that is sleek yet theatrical, the structure is available in a range of modern finishes and offers the option between either two or three tubes. Furthermore, you can also customise the lighting output by choosing between an uplight, downlight or both depending on what your space requires.

The Lambert & Fils Silo Wall Light features polycarbonate diffusers which softly project the light, limiting glare and providing a more even dispersion. This LED wall light is a beautiful addition to hallways, entryways, dining spaces and galleries. It can also make a statement in hotels, restaurants and bars.

Dali dimming is available upon request. Please contact us for more information.
