PRODUCT DESCRIPTION

Designer: Adrien Rovero

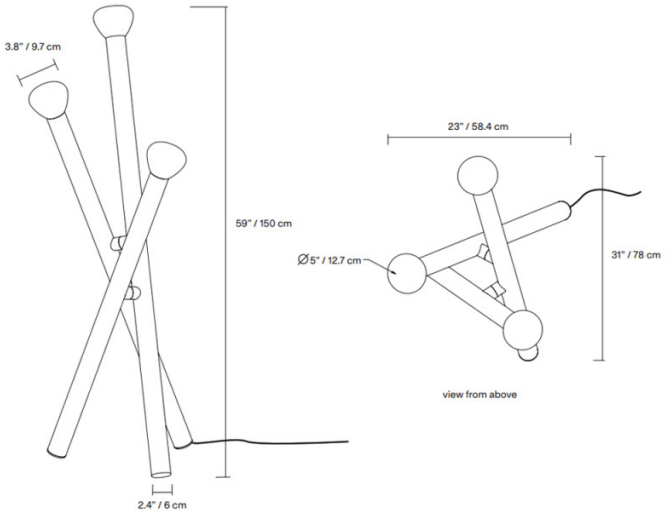

Lambert & Fils Parc Floor Lamp

A playful collaboration with Swiss designer Adrien Rovero, the Lambert & Fils Parc Floor Lamp draws inspiration from childhood, vivid imaginations, and the essentiality of homemade forms. This lighting solution features three aluminium structures that appear to artistically lean on each other, each of these legs of the lamp resembles the silhouette of a modern torch and utilises a hand-blown frosted glass diffuser which houses its own light source. The result is a soft illumination which is evenly projected across the nearby space and can be utilised in a range of environments.

The Lambert & Fils Parc Floor Lamp is available in a range of colours, from more minimalistic shades to more bold blues, reds and greens. This allows the lamp to adapt to an array of contemporary interiors including your living room, hallway, or even your bedroom. The Parc Floor Lamp is suitable for residential and hospitality spaces.

PRODUCT SPECIFICATION

Light Source:	3 x Max 4.5W G9 LED (included)
