PRODUCT DESCRIPTION

Designer: Thomas Bentzen

Muuto Dedicate Clamp Light

Designed by Thomas Bentzen, the Muuto Dedicate Clamp Light is an incredibly versatile lighting solution that can be fitted onto table tops, desks, shelves and many other surfaces. It is a powerful task light featuring an adjustable arm and integrated dimmer on the head of the lamp allowing you to easily personalise the ambience of your environment. The Dedicate Lamp is a contemporary take on the classic architect lamp, where design meets functionality seamlessly, much thought has gone into the design - which features integrated cooling ribs and automatic on/off technology to save energy and further preserve the life of the LED.

The Muuto Dedicate Clamp Light is available in two sizes and two colours, allowing it to adapt to a variety of interiors. It is a great addition to workspaces, kitchens and reading nooks. Dedicate caters to diverse lighting needs and design preferences, providing an adaptable lighting solution.
