PRODUCT DESCRIPTION

Designer: Michael Anastassiades

Flos IC 10-Year Anniversary Pendant

The Flos IC Pendant was originally designed in 2014 by Michael Anastassiades and has since become an iconic Flos product. 2024 marks the 10-year anniversary of the collection and to commemorate the occasion the brand launched a special edition variation of the classic pendant light. The IC 10th Anniversary Pendant explores balance and shapes, utilising the timeless spherical diffuser that appears to balance freely from the metal structure.

The pendant is available in a unique 24-carat gold plated finish and two sizes, each piece is numbered and signed to guarantee authenticty. Anastassiades wanted to utilise a sleek gold finish to represent the pendant as a symbol of eternity, due to its long-lasting stance in the lighting world. The special edition IC Pendant produces a warm diffused glow that can be utilised in a variety of interiors, swiftly adapting to almost any contemporary interior.

A compatible Flos bulb can be purchased separately. Please check individual bulb pages for product compatibility.
